

Wedding Music List Options

Please select four songs, noting the order you want them played in the columns to the right. The first song is for the wedding party. The second is for the bride. The third selection plays softly in the background (we recommend an acoustic version for the third selection). The fourth song plays as you walk back down the aisle, now a married couple. **You may choose either all recorded selections or all piano selections from this list -- but if you want both recorded and piano, there is an additional fee of \$100.**

If you want a song that is not on this list, the fee is \$20 per song, or \$75 for all four songs. Just email your wedding coordinator with the link where the song can be purchased if the recording you want is rare, or the name of the song and artist if you are not particular about the version you want.

Some songs are not recommended in Instrumental or Piano and so are listed as "N/A"
